Annual School Report

Parents and guardians can access the recently completed Annual School Report on the school website. The report will give you a thorough and comprehensive insight into the achievements of the students in 2009 as well as providing clear targets and goals which the school hopes to achieve in 2010 and 2011.

I would like to thank Deputy Principal, Mr Weatherstone, for his contributions to the report. He is also to be congratulated for his artistic design and layout. I have already had several comments from DET personnel and parents congratulating the school on such an impressive report.

School Golden Anniversary 2010

Campbelltown Council recently held a special ceremony recognising the contribution Ingleburn high School had made as a member of the Campbelltown community during the last 50 years.

On this subject, I would also like to remind all parents about the celebratory dinner which will be held at Ingleburn RSL Club on Saturday evening on 28 August. Already half the tickets for this event have been sold. If you are interested in purchasing tickets you can do so by contacting the school office on 9605 1509.

As well as the Dinner we will be holding a number of events within the school in the week prior to the Dinner (23-27 August). You will be given notice of these events in upcoming newsletters.

ANZAC Day Commemorations 2010

School Captains, Ayon Hoq and Faith Mailei, represented the school community at the Dawn Service on 25 April at Ingleburn RSL Club. Ayon gave the formal address at the ceremony and he presented a great speech. He was congratulated by several of the politicians and dignitaries present for both what he said and the manner in which he presented it. You can see a full text of his speech on the link provided below.

BOYS' EDUCATION FORUM

You may have heard that recently Ingleburn High School has made a commitment to improving the academic and social outcomes for boys. Through the hard work of several teachers who have jumped on board, the school has identified six domains which will be used as a platform to improve Boys' Education. These areas are: Literacy and Numeracy, Pedagogy (the art of teaching), Engagement, Relationships/Role, Models/Mentoring, Learning Styles and Masculinity.

Several programs are currently being evaluated and revised, along with the introduction of new initiatives that will cater for the needs of boys. Girls' Education will continue to get the attention it rightfully deserves.

We are currently in the process of securing special guests to attend a Boys' Forum where special guests will be able to provide parents and staff with valuable information in an open and frank discussion about issues and future directions in Boys' education. In fact, parents of girls are also invited as the forum will be equally informative.

I am seeking an expression of interest from all parents. Naturally, parents play an important role and, as such, we seek your company on this evening where you too can share your ideas, views and future directions. At this stage Tuesday 27 July is the proposed evening. It will be a 6.00pm arrival for a 6.30pm start. Light refreshments with tea and coffee will be served.

Please fill in the slip below and return it to Mr Elbahou by Friday 4 June.

Mr R. Elbahou
Boys Education Coordinator

Boys' Education Forum 2010

CATEGORY GOLD

Congratulations to the following students who have attained Category Gold this year. This year students must ensure they present five bronze awards to their Year Adviser to get a Silver Award. This must be done three times in total and then the three Silver Awards are given to the Deputy Principal to attain Category Gold.

A similar process must be followed to attain Category Diamond. Three Gold Awards must be attained to achieve Category Diamond then presented to the Principal.

STUDENTS TALK

Late last term students discussed a topic in PBIS workshops to all them to debate and think about topics that can be controversial but always are the types of things that we have our own options about.

The first topic that was explored was:

Are humans better than animals?

A sample of responses:

We are better than animals because we are more civilised. We also invented technology like the ipod. Humans have more knowledge than animals. We also use manners and we are polite. Humans also communicate to each other by talking. Humans also follow instructions as told. They also care for animals as pets.

We are not better than animals, because animals and humans are generally equal. Humans may have the general knowledge on how to do things but we were taught by parents, teachers and others who guide us. If we tried to teach an animal how to do something it could actually learn, for example, teaching a dog how to sit, beg, roll over or just to behave. Humans are not better than animals, we have many aspects in common, they can understand and know how to feel just as we do

Kim Wallace

P&C

PARENTS AND CITIZENS ASSOCIATION

First of all thank you to all those students and staff who purchased Billy G'S Cookie Dough. The orders are placed and due to be delivered on Friday 28 May. Kim Dooris will be at the school to distribute the orders on this day from the hall canteen from 2.45pm until 4pm. If anyone has late orders, we will have some limited stock available for \$15.00 a tub on the day. Please leave your order details at the office, email to P&C at ihspandc@gmail.com or, see Kim on the day at the latest.

The Entertainment Books are still available and for \$60.00 it is exceptional value. There is a sample book in the office for you to view and we can distribute the book as soon as we have a completed order form or payment. *Credit cards* are accepted for this order.

HELP NEEDED Coming up in July we will be again holding a Bunnings BBQ at the Campbelltown store on Saturday 3 July. Any parent or teacher who would like to assist for an hour or two on the day, please complete the form attached OR email your details to ihspandc@gmail.com and we will be in contact to co-ordinate further. It's easy and it's fun. Please don't think someone else will put their hand up . . . we get very limited responses to these types of requests for help. It's the best kind of fundraiser as it targets the wider community not just the school families and the additional funding for equipment is vital.

Our next P&C Meeting is Wednesday 26 May in "B" block Common Room at 6.30pm. Please join us to discuss any issues or ideas you have relating to the school. If you have any concerns regarding your sons and daughters school life come along and discuss this with the Senior Executive, staff members and other parents in similar situations. Or just come along just for the yummy supper!

Look forward to seeing you there.

Ms M. Welfare
President Ingleburn High School P&C Association

YEAR 8 UPDATE

Two important dates to remember for Year 8 that are upcoming.

Firstly, 2 June 2010: A \$30 deposit is due for Camp at Broken Bay Sport & Recreation Centre. This needs to be paid for the security deposit at the site to be paid. Also the payment schedule will allow for the payment of the total amount to be made more easily. If there aren't enough numbers paid by 2 June (Week 7) then the camp will be cancelled and no other camp will be organised for the remainder of the year. Other facilities at the venue include:

- 25m swimming pool
- Small beach with enclosed canoeing area
- Floodlit tennis and beach volleyball courts
- Multi-purpose recreation hall
- Dining hall
- Modern lodges and ensuite

Secondly, 18 June 2010: Taronga Zoo Geography Excursion. Money and permission notes must be handed in to the office by Monday 14 June.

I hope the majority of Year 8 can attend both of these activities that I have organised for them as their Year Adviser and as the Year 8 Geography Coordinator.

Note: Remember to still aim towards being safe, respectful learners and look out for each other in our Year group and also be considerate of all other year groups.

Mr J. Kelly

Mrs S. Cremer
(Student Adviser Year 8) (Assistant Student Adviser Year 8)

The University of Sydney

NEEDED: Men and Women aged 18-60 years who think they need to lose weight

If you are overweight and may be interested in participating in a 2 hour long study held in your local area which explores factors that help people to lose weight or make this difficult, please contact us to find out more. **You will be financially compensated for your time and receive a weight control starter pack including a free gym trial at FITNESS FIRST.**

HISTORY EXCURSION

On 23 April, the Year 12 Modern History and the Year 10 History Elective classes went on an excursion to the Sydney Jewish Museum in Darlinghurst. The visit formed part of the Year 12 Modern History course (Conflict in Europe) and the Year 10 History Elective course (Genocide in the Modern World).

The students were given a guided tour by one of the curators at the Museum. She explained the significance of most of the exhibits and gave a chronological outline of the main events from the rise of Hitler as a prominent political force in Germany in the early 1930s to the Holocaust that occurred at the hands of Nazi Germany. However, by far the most poignant aspect of the tour was getting to hear the story of David, an actual survivor from the Holocaust. He elaborated on his experiences and, as he put it, his fortune during this period. The students were genuinely taken aback by some of his recollections and were keen to find out more about this remarkable man. His story truly reinforced our belief in the human spirit and in the will to survive. The students were then allowed to walk freely through the museum and spend some time in front of the exhibits that grabbed their attention.

We believe that the day not only allowed the students to further their passion and knowledge of History but also, hopefully, their understanding of the value of human life and the significance of peace, justice and equality.

Supervised by Mrs. Sleiman.

Please note: For insurance purposes parents must
remain with their children during the playgroup program.

RSVP to (02)96052509 by the Thursday before each Playgroup.

SPORTS report

SWS KO SOCCER MATCH

On Thursday 29 April (Week 2 this term) our Ingleburn High School soccer side played East Hills Boys High School at Bensley Oval, Ingleburn.

The boys tried their best to keep up with these high quality players and potential champions of the competition. The majority of the EHBHS team were made up of Premier League representative players and our team kept up with them for the first 15 minutes of the 70 minute match. Unfortunately we were unable to make the most of our opportunities and once they started to get a roll on and scored a few goals, it was difficult for us to make any inroads into their defence.

We were well beaten and didn't trouble the scorer but we still showed Ingleburn High School proud and played in good spirits throughout the entire game. Notable mentions for their efforts throughout the game included Jarrod Risby, Luke Shirley, Jayden Bennett and both of our goalies (First Half: Mitch Nicholson and Second Half: Andy Fatialofa). All players deserve a mention and are listed below, including our two water/linesperson assistants who can both add their new skill to their resumes:

Jarrod Risby, Keenan Narayan, Jason Rahman, Justin Davies, Jayden Bennett, Luke Shirley, Shaun Prince, Matthew Rawes, Matthew Wallace, Cameron Wallace, Nabil Boumoughdab, Jeffrey Rahman, Mitch Nicholson, Ryan Capps, Andy Fatialofa and Hakim Wooldridge

Water/linesperson Assistants: Tim Cutler and Angela Tautaiolefua

The experience gained by all players should assist them greatly in future soccer matches for Ingleburn High School and for their own local soccer teams.

*Mr J. Kelly
(Teacher/Coach/Organiser)*

SCHOOL CARNIVALS

Recently, Ingleburn High School has had both its Swimming and Athletics carnivals and all those who attended had a great time. The Swimming carnival has, in the past, seen not only some outstanding talent but also and, in particular this year, we saw student improvement, determination and personal triumphs.

In 2010 we sent 31 students to represent the school at the Zone Swimming carnival, of those 12 students went through to the Regional carnival and two of our students, Ashleigh Bootsma and Christian Tema successfully made it to the State Swimming carnival. We wish both of these students all the best and we know that they will do themselves, their families and the school community proud.

A personal thanks needs to go to the following:

The staff of Ingleburn High School. Each year they are asked to help with the carnivals, either with catering, record keeping and recording, marshalling and supervision and each year they attend, they complete their tasks with passion as well as supporting their houses.

The parents who came along to watch. It was fantastic to see you all there supporting your kids and your kids' houses. A moment comes to mind being offered green cake from Mrs Winsor, who baked it in support of Tornado (I hope it was green cake!)

And the students who, at both carnivals, either participated or cheered their mates along, but above all, behaved themselves in a manner befitting of an Ingleburn High School student.

FREE fun program for kids to become healthier, fitter and happier!

Do you have children 7 to 13 years old? Are you worried about them being overweight?

The NSW Parenting Program is an established healthy lifestyle program to improve **health, fitness, self esteem and confidence** in children above their ideal weight.

What happens in the NSW Parenting Program?

The program runs over one school term (10 weeks). There are 20 sessions (2 sessions/week, 2hrs/session). All sessions run after school. Sessions include:

- Games, activities and swimming for kids
- Easy, effective ways to improve your child's self esteem and confidence
- Demonstrations, games and tips on healthy foods, label reading and portion sizes
- A fun supermarket tour and a chance to try delicious new foods!

Thanks to funding from the NSW Department of Health, Sydney South West Area Health Service (SSWAHS) has **15 places** on the program in your local area, **completely FREE of charge**. The **next program** will be running in **School Term 3**.

Photo courtesy of MEND Australia Pty Ltd

How can I join the program?

Places on the Program are being given away on a first come, first served basis. Children need to be **7-13 years old** and **above their ideal weight** to qualify for the program. Contact Natasha Fayle (Program Manager) on **(02) 9780 2811**. You can also visit www.mendprogramme.org and click on 'Join a MEND Program'.

Please note a parent or carer must accompany each child to every session
