## from THE PRINCIPAL

Hello to all students, parents, carers and staff. Once again Term 4 has ended at a frenetic pace.

This time has been filled with great memories of students doing their academic and sporting best; Say Hi Day; Teacher v Student sporting challenges; Year 7 Transition; a fantastic Presentation Day; and the list goes on. Life will be different at Ingleburn High School next year with the school beginning its first year of the new school three year plan. Our strategic priorities are setting high expectations for students, inspired teaching practice by staff and connecting our community through business partnerships and our P&C committee. There will be lots of action in the classroom around teaching.

Year 12 have now finished their HSC exams and for some it is the culmination of thirteen years of schooling, but for others it is a new lease on life and fresh beginnings. Now the anticipation of their results will soon turn into reality.

To all those Year 12 students I wish them well in their future academic endeavours, post school to work destinations or whatever their future holds. The exam supervisors would also like to pass on their congratulations to all students on their approach and attitude to the HSC exams. The punctuality and application of the students allowed the exams to run smoothly and on time.

Year 11 students are well into their Year 12 course work this term and are now officially Year 12 students. I would like to take this opportunity to thank the students for adopting a more serious approach to their studies in their HSC year. If students experience class work difficulties or a personal problem make sure they contact the school for assistance, don't leave it till it is too late and they get overwhelmed. There is always a way to sort out problems if you put your hand up early.

Just a reminder from the last newsletter. School subject fees will require payment for students to maintain their participation in Electives. In 2015 Years 9 and 11 student fees will have to be paid before students can begin these electives. A 30% deposit (eg. Year 9 Food Technology fee is \$50.00, 30% deposit is \$15.00.) will need to be paid as soon as possible at the beginning of Term 1 next year and the balance to be paid by Week 5 of Term 1 2015. If

your child has chosen an elective that has a fee and you are having difficulty paying this fee then please contact the Principal to discuss some options. There is a range of non-fee or low cost subjects students can choose from and they are fantastic options to consider.

This policy has been endorsed by the P&C of Ingleburn High School.

The P&C is a great organisation and provide much needed support for our students. The tireless work of Sue Roberts and her team help the school in many fundraising endeavours and school functions to raise money for school programs and promotional activities. If you would like to join the P&C they meet at the school every 4th Wednesday of the month. We look forward to seeing you there.

Again thanks for a great 2014 and supporting the Ingleburn High School Learning Community. Ingleburn High School is a great place for students to achieve their potential because great things happen here. We look forward to meeting all the students next year and we will welcome a new cohort of Year 7 students who are eager and keen to be at high school.

I hope Santa is kind, so enjoy the holidays and if you are travelling, have a safe and restful time and we will see you all in 2015.

*Robert Cheadle*  
*Principal*

**PHOTOS FROM ALL EVENTS CAN  
BE FOUND ON THE SCHOOL'S  
WEBSITE.**

### **WANTED**

If you have any uniforms that you no longer have a need for we are in desperate need of all uniforms but especially junior uniforms.

Donations can be left at the front office.

*Welfare Faculty*

**Uniform Shop** - Opening hours for January & February are on the school website. Our Uniform Shop is the only location to get the Approved School Uniform. The following items are NOT SCHOOL UNIFORM - plain lemon polo shirts, straight skirts, black shorts, these items were replaced 5 YEARS AGO.

If you are unable to get to the shop on the dates/times allocated please contact me on 0438 982 930 or email [jeffr4@bigpond.com.au](mailto:jeffr4@bigpond.com.au) to make alternative arrangements. Don't leave in it to the first day back to come and purchase your uniform needs which a number of people did last year. The school receives 10% on all sales through the Uniform Shop to put back into equipment/services for the students and the school.

**Year 7 School Book Packs** – The Year 7 School Book Packs can now be purchased through the uniform shop. Cost per pack \$23.00.

I would like to thank the P&C Committee for their help throughout the year Rebecca Mackenzie, Sheila Darab and Ray Mosley. It was disappointing that our November meeting could not be held due to lack of attending parents. We had four parents attend but needed five to continue with the meeting.

I look forward to meeting new parents at our P&C meetings next year. Remember, you need to be involved to be able to make a difference and I hope that I have been able to do that over the last six years I have been involved with the P&C.

Have a safe and happy holiday.

Sue Roberts  
P&C President

## ORIGIN AUSTRALIA INDUSTRY VISIT

Twenty Year 9 students from 9SCI1 were invited to take part in an industry visit to Origin Australia in Sydney. The students took part in activities, an office tour and had members from the Origin Corporation speak to them about job opportunities. They also spoke to several members of the Origin Team about their careers and jobs, how to manage a budget and how to conduct themselves in interviews with prospective employers.

This was a very successful day and was thoroughly enjoyed by all who attended.

Ms J. Young  
Student Adviser Year 9

## 

To Mr Robert Cheadle and the Staff at Ingleburn High School.

On behalf of Lloyd Owusu and myself, we would like to thank everyone at Ingleburn High School for the opportunity to be a part of the 2014 Sports Assembly and for our box of chocolates. A perfect gift for both of us and I am sure the former Rugby League players would agree as well.

When we arrived at the school, we were made to feel very welcome by all the staff in the PE department. I have to make special mention of Boris Bratic who organised the assembly. Even though he would have had a lot on his plate, he went out of his way to introduce us to John Skandalis and Joe Galuvao who were both already there and offered all of us some water or a tea/coffee. He then informed us of our roles for the day and that there would be quite a few awards for each of us to hand out to the students.

It was understandable that the Sports Assembly went on for as long as it did, especially due to the number of awards that were handed out to the students. Considering all of this, it ran very smoothly and was organised extremely well so congratulations to Boris and the PE staff.

On another note and considering the very hot conditions, the students of Ingleburn HS should be commended on their behaviour. It would have been a long assembly for all of them but not only were the recipients polite when receiving their awards, but everyone else was very patient and well behaved throughout the assembly.

We both really enjoyed ourselves and are glad that Sydney FC had a presence at your Sports Assembly. Congratulations again to everyone involved in making the assembly a success and if you need anything else in the future, we would be more than happy to be a part of it. Thanks.

Have a great Christmas and New Year.

Kind regards

Paul Reid and Lloyd Owusu Sydney FC Community Football Officers

## ANTI-RACISM – A MESSAGE FROM THE ARCO

Ingleburn High

School has a strong commitment to Multicultural Education, equity and equality. These beliefs permeate all of our school policies including our Anti-Racism Policy, the Cultural Diversity and Community Relations Policy, Multicultural Education in schools, the Aboriginal Education and Training Policy and the Complaints Handling Policy, amongst others. This ethos is embedded in our teaching practice and not only is it taught explicitly to students, but it also forms part of our expectations of the safe, respectful learners that attend Ingleburn High School.

Any member of the school community has the right to lodge a complaint and seek a favourable resolution if they have been the victim of racial vilification in the school context. The resolution of such complaints can be either formal or informal depending on the severity and frequency of the abuse. It is my duty as an Anti-Racism Contact Officer (ARCO) of Ingleburn High School to handle such complaints and to provide mediation, education and monitoring that leads to reduced recidivism of racial abuse in our school.

If any student experiences such vilification, they are encouraged to speak to their teacher and to see myself in the History, Languages and Music Faculty in B17. If you have any questions regarding our policies or the resolution process, please contact me through the school's front office.

*Mr D. Levkovski  
ARCO Representative*

## FILM CLUB

Film Club runs on Tuesday lunch in A20.

The club has had an exciting year storyboarding and shooting for the Zombie Apocalypse. Makeup tests produced some really gruesome creatures and the corridor in A block has never been so horrifying - except the last day of school!

Some new blood from Year 7 has injected some much needed energy into the group and we hope to be editing in the holidays and early next year.

There are currently about four different projects in different stages of production and pre-production; the anti-drugs screenplay "Blood Brothers" by Lana Kraichuk, the spy thriller "Retired", a "Roadies" documentary and a Voxpop interview of students around the school are some of these offerings.

If you have an idea or some skills, dying to operate camera or create props and costumes, come visit Film Club to make and watch movies on Tuesday lunch times!

*Ms V. Preece  
English Faculty*

## Noakesy's Technical Corner

Coming up to the end of the year and especially Christmas time, some parents may wish to purchase software from either Microsoft or Adobe for their students to use. Thanks to an agreement between the DEC and both Microsoft and Adobe a range of software, some of which can be quite expensive, is available **free** for students to download and install on their own personal device.

The two platforms which can run the software are Windows 7 or 8.1 device or an Apple MacBook running one of the latest versions of Mac OS.

The software available includes Windows 7 and 8/8.1, Microsoft Office 2010 and 2013 and Office 2010 for Mac as well as Adobe Creative Suite 6 Design and Web Premium.

Students are exposed to this software at school.

The software can be obtained from the website <http://nsw-students.onthehub.com>

A "How To..." video can be found at <http://bit.ly/freedecsoftware> which shows how to make an account and then download your free software offered by the Department of Education and Communities.

You must know your school email address and password *before* going to the website to register and download your free software.

All the best and enjoy this present from the DEC!!

*Mr P. Noakes  
Mathematics Faculty*

## SCHOOL CALENDAR

### Week 11 – Term 4

17 Dec Last day of school for students

### Week 1 – Term 1 2015

28 Jan Years 7, 11 and 12 attend school  
29 Jan All years attend school

### Week 3 – Term 1

13 Feb Swimming Carnival, Macquarie Fields

### Week 4 – Term 1

17 Feb School Photos

### Week 8 – Term 1

16 March SSW Secondary Swimming Championships, Campbelltown

*\*All dates and information are correct at time of printing however changes may occur due to unforeseen circumstances. We apologise for any inconvenience this may cause.*

# WELFARE TEAM

## Term 4 – Student of the Term

### Leadership

Tamara Gielis (Year 7) is an active member of the SRC and has participated in many of the initiatives instigated by this highly motivated group of students.

In both her classes and the SRC she has demonstrated a mature approach to her learning and has set an outstanding example for others in her year. She helps other students to achieve their best and is fast becoming a valuable member of the school community.

Congratulations Tamara.

### Extra-Curricular Activities

Jordan Vasquez (Year 8) has been nominated by several of her teachers for her consistency in assisting teachers whenever possible as a safe and respectful learner. She is also a valued member of the Student Representative Council and has always been an active participant in its initiatives. Jordan is also a member of the schools very successful debating team and has represented the school on a number of occasions.

Congratulations to Jordan for her outstanding efforts.

### Community Service

Sam Uhi-Taiaamoni (Year 9) took part in the Social Inc Leadership Day where he performed on his guitar. He also took part in helping the Sackville Street Public School band in rehearsals for their musical as well as performing as part of their band for the concert. Sam took part in the LIKE program where he visited the feeder primary schools and taught lessons to the primary school students.

## Sport

Lachlan Natapu (Year 10) has represented Ingleburn High School playing in many of the school's representative football teams. These included the Under 15's Rugby League team who achieved second place in the Wests Leagues Cup, Regional winners in the Wests All Schools and coming sixth in the NSW All Schools. He also competed in the Open Boys Knockout Rugby League, Under 16 Boys Rugby Union 7's and Years 9 and 10 Tiger Tag team.

He was awarded the Best and Fairest award and captained the Under 15 Boys Rugby League team. Lachlan was also selected in the Sydney South West Under 15 Boys Rugby League team.

He always seeks to do his best within his PDHPE lessons.

He not only demonstrates outstanding physical skills but also great leadership and sportsmanship skills.

Congratulations Lachlan on all of your achievements this year and the effort you have put into developing yourself as a sportsman and leader within our school.

## Learning

Jessica Papworth (Year 11) has applied herself diligently this term and deserves this award.

Some of the following comments were taken from her last report:

*Jessica's assessment tasks were completed to a high standard.*

*She is respectful of differing viewpoints from her fellow classmates.*

*Jessica is a mature student who works independently – she does not find Mathematics easy but puts effort into her work and a significant improvement can be seen.*

*She produces high quality food items and demonstrates leadership capabilities within a Kitchen environment.*

Jessica's Host Employer was most impressed with her ability to take on advice and show initiative while on Work Placement.

Well done Jess.

# STUDENT NOTEBOOK AND FOLDER REQUIREMENTS FOR 2015

It is expected that all students have a Homework Diary.

SUBJECT	YEAR 8	YEAR 9	YEAR 10

## ACADEMIC PRESENTATION 2014

*Good morning special guests, staff, students, parents and families of the award recipients. I thank you for coming along this morning to share in the acknowledgement of excellence and encouragement.*

*School Presentation events are the culmination of the academic excellence and effort where students strive all year to achieve personal best in the classroom and to be rewarded or acknowledged by their teachers for their commitment to their studies.*

*It is a significant event in a student's life where they feel a sense of pride and self-fulfilment for doing their best and working towards their personal educational goals.*

*From day one, students from Ingleburn High School have shown me and the staff respect, a zest for learning and the acceptance of student individual differences. Students here are inclusive and are more than willing to help someone in need. In the community that is something that will allow them to become esteemed members of their local area. It is this attitude and sense of positive self-esteem which allows them to put their best foot forward whilst at high school and to feel proud of getting an award or gaining personal success. Employers do look at a student's portfolio of awards and what school has to say about them. Yes, your school report does mean something from Year 7 in the big wide and real world of work. A great report may mean the difference between you and someone else getting that position.*

*A big thank you goes to the committed staff of Ingleburn High School and the efforts they put into improving the educational outcomes for their students over the year. Teachers here try and get the best from their classes, catering for the individual differences and moving these young people towards achieving individual success and the goals for schooling. As part of our school plan, high expectations of student performance and teacher professional practice, we will continue to work to develop strategies which will better prepare your students to survive the 21<sup>st</sup> Century and connect the business community to our school and further strengthen our partnerships with our feeder primary schools.*

*To the students, I have said this before but your friends are not going to pay your mortgage when you leave school so your time is now. So for those students who are being rewarded today congratulations and for those who are not it is never too late to change. Award winners you can be a positive role model for your peers and steer them onto a better path and share your love of learning and acknowledgement of your academic achievement. It is cool to get up and accept an award because you earned it so you deserve it.*

*To the parents please continue to support your child's personal excellence in becoming the best they can be. The life skills you provide are essential to the personal development of these fine young people and that guidance will compliment what we are doing here at school. I will ask though please to continue to give the school feedback on how to help and sustain a positive learning culture that will benefit students for years to come.*

*Again congratulations to all students who have received awards today, your parents, family and friends are so very proud as you should be proud of yourself. I look forward to starting next year with a positive mind set and keep in mind that there is always a way you just have to go and look for it!*

*Finally, I would like to finish by these words of an unknown poet who said, "All things are possible until they are proved impossible and even the impossible may only be so as of now".*

Mr R. Cheadle  
Principal
